HISTORY

The Hectorville Sports & Community Club was formed over 50 years ago to promote the physical, intellectual and moral well-being of members by providing facilities for their participation in sports and recreation.

The Hectorville Sports & Community Club has provided over the years many different types of sports

Football	Cricket	Netball
Basketball	Tennis	Athletics

And today has Teams participating in Football, Cricket, Tennis and now Netball in both Senior and Junior competitions.

The Hectorville Sports & Community Club has many years of tradition with many members today having come up through the junior ranks.

The club has had many years of success in all sports as shown in the “Hall of Fame” proudly displayed in the club rooms.

The Hectorville Sports & Community Club commenced from a tin shed on the Daly Oval with after match functions held at members’ homes, then proceeded to purchase a housing trust home across the road in Fisher Street as its first official club-house. In 1980 the club built the existing home of HSCC on the Daly Oval site which at the time was the envy of all sporting clubs in the area.
